MEN WHO DECIDE CHOOSE

Wool

WITH DURABLE CREASING

BY
MAGEE

Ask your Magee stockist to show you the crisp businesslike styling of Magee suits and trousers. The trousers need neither belt nor braces to keep them up. The cut does it. And durable creasing keeps them pressed. There's a cunning new reverse twist in Magee worsteds. Thornproofs too. It brings glints of gay colour into sober business backgrounds. The weave gives underlying small check and dice effects, like mosaics. Hence the name Magee mosaics.

Add an extra pair of toning worsted slacks to a Magee suit, add the right knitwear, and you've got almost a new wardrobe.

Be sure you get the real...
MAGEE

Two- and three-piece suits in Magee Thornproof and other Irish Wool cloths from 17 guineas. Magee all wool worsted trousers 6 guineas.
